
AMMA QUÉBEC

2015 Fundraising Campaign
April 1st to June 15th, 2015

Amma founder of the NGO **Embracing the World** wishes her children to establish centers throughout the world with the intention that they become shelters or centers capable of responding to the physical and spiritual needs of people.

It is in this spirit that devotees have developed charitable activities across Canada.

- In several Canadian cities meals are prepared and served for the homeless and underprivileged.
- Assistance is provided to disadvantaged youth through scholarships and recreational activities
- Material support is given to the poor and homeless street youth
- Particular attention is paid to the elderly and people with loss of autonomy through giving baked goods and greeting cards
- Advice and moral support are offered to prisoners
- Plans for organic farming and community gardens are being developed.

« With a child's innocence, enthusiasm and optimistic faith, we will be able to create heaven on earth. » *Amma*

Amma Quebec offers an opportunity to respond to Amma's wishes by participating in this fundraising event in order to:

- Help Amma Canada to expand its role in a meaningful way to address these needs.
- Contribute to the costs of maintaining the Canadian M.A Center.
- Help send 6 women from Haïti to University to learn computer skills. Our first commitment is to do this for the coming 5 years.

Thank you for contributing what you can towards this wonderful project.
